

Whether it's cutting soot emissions at Philadelphia's ports or building the market for renewable energies, the Clean Air Council is making a real difference in people's lives.

Every Fall friends and supporters donate to the Council through the United Way Campaign.

Your workplace contribution goes a long way in protecting everyone's right to breathe clean air!

SUPPORT CLEAN AIR COUNCIL

through the **United Way Campaign**

The United Way Campaign encourages employees from nearly 1,200 businesses and organizations to give through the workplace donor option. For as little as \$10 a month your support will enable the Clean Air Council to work towards passing the first Global Warming Bill, stop the building of a liquid coal plant in Pennsylvania, and support the expansion of a bike trail along the East Coast Greenway.

Clean Air Council United Way Designation Number:

United Way of Southeastern Pennsylvania: **785**
