**Re: Installation Permit #0959-I001, issued to Allegheny Energy Center LLC –
Request for Permit Termination**

Dear Ms. Truchan,

Allegheny Energy Center LLC (“AEC”) submits this letter to advise the Allegheny County Health Department that AEC will not develop and construct the proposed Allegheny Energy Center. AEC, therefore, surrenders Installation Permit #0959-I001 and requests the Allegheny County Health Department terminate the permit. Please be advised AEC has not acquired the proposed development parcel; thus, there has been no construction commenced pursuant to the permit.

Thank you for the Department’s consideration. If you have questions or require additional information, please contact me at 312.224.1400.

Sincerely,

James Shield
Vice President
